The narrator: Jacob Tice

I am a retired Liberal Arts (BA in Sociology from Penn State) dairy farmer living in Kenton, DE.

I grew up speaking Pennsylvania Dutch in Somerset County, PA and was part of the Mountain View Beachy Amish-Mennonite congregation until my early twenties.

I have often wished that I could listen to the Pennsylvania Dutch Bible and finally decided that I should maybe try recording it myself. I will keep on recording additional books of the Bible as long as there is enough interest.

There are many Pennsylvania Dutch speakers who could do this better than me. Maybe my effort will inspire someone (maybe you?) to take on the project or at least collaborate. I would gladly listen to someone else's recording.
